

Tool Bags - Large Bag (Mesh)

The Leading Edge Large Tool Bag (Mesh) is an incredibly light-weight trade specialist bag. The structural fine mesh body makes it possible for natural light to illuminate the interior of the bag providing superior internal visibility as well as natural air flow ventilation. Engineered with regard for weight sensitive specialists and technicians that are called upon to often carry and tether tools and small items at height. The bag gives you four structural 'D' ring anchorage points each rated up to 5kgs (Dynamically tested - see 'testing pages' for more info). Rating uses a 2:1 safety factor. Attachment on your harness/belt is by way of a number of customer defined connection systems.

FEATURES

A choice of four securing methods is available: The fixing arrangements include either: Belt Loop / Eyelets / Triple Action Velcro Straps / Triple Action Safety Buckle (see 'Tool Bag & Holster Fixing Options' page)

Structural mesh body allows natural illumination for better internal visibility and ventilation

The bag provides four structural 'D' ring anchorage points each rated up to 5kgs (Dynamically tested - see 'testing pages' for more info). Rating uses a 2:1 safety factor

Designed to carry tools and parts up to 20kgs in the main compartment, with side and front pockets

Ergonomically optimized for user comfort and weight distribution, with a top opening and bag depth configured to limit accidental spillage

Manufactured incorporating extreme structural marine mesh (synthetic woven multi-braid fabric encapsulated in a plastic coating), premium industrial grade components, 'soft edged', for wear reinforcement and comfort

Individually serialised for clear easy inspection, full traceability and control

Issued with a 'Declaration of Conformity' product certificate and 'Final Inspection' sheet

Height: 33cm / Depth: 12cm / Width: 32cm / Volume: 12L / Weight: 0.20kgs

Manufactured at our product factory in the UK

Code	Model	Description
TBAGMESHML	Loop Fastening	Slides onto standard belts up to 50mm wide
TBAGMESHME	2x Eyelet Fastening	Hung from belt/gear loops using a connector
TBAGMESHMV	2x Velcro Fastening	Wraps around fixing point with triple lock action
TBAGMESHMB	2x Buckle Fastening	Secures around fixing point with triple lock action
