- Lanyard weight: 0.02kgs (without connectors)
- Wire loop made from premium 3mm 316 stainless steel wire, protective plastic sleeve cover
- Manufactured at our height safety product factory in the UK

Tool Tether (Wire Anchor)

The (Wire Anchor) tool tether made in the UK by Leading Edge has been uniquely developed to provide a robust fixing method around shaped or through captive tool handles on your existing selection of tools. Wire is the right choice for work within harsh environments, with exposure to heat, sharp edges and chemical contaminants.
