

Wire Tool Lanyard (Swivel)

The wire (swivel) is lightweight and extremely strong safety tool lanyard made by Leading Edge in the UK. Designed to prevent twisting with intense usage, allowing direct tool attachment via connectors. Wire is the right choice for work within harsh environments, with exposure to heat, sharp edges and chemical contaminates.

FEATURES

- Wire designed for extreme heavy industrial use in a very harsh environment
- Lanyard lengths available: 10cm / 30cm / 60cm / 80cm / 100cm
- Individually serialised for clear easy inspection, full traceability and control
- Issued with a 'Declaration of Conformity' product certificate and 'Final Inspection' sheet
- Lanyard weight: 0.04kgs (without connectors)
- Light weight, flexible and very strong
- Supplied with a 'Swivel' link and protective black plastic sleeve over the wire
- Configured to prevent lanyard twisting with intense usage, allows direct tool attachment via connectors
- Swivel wire model is a tougher design than webbing types for abrasive applications
- Rated for hand tools up to 5kgs (Dynamically tested - see 'testing pages' for more info). Rating using a 2:1 safety factor
- Lanyard made from premium 3mm 316 stainless steel wire, swaging at both ends
- Manufactured at our height safety product factory in the UK
